

4th Annual St. Hilary Summer Soccer Training Camp

The St. Hilary Soccer Club is offering technical/ball skills training for soccer players in grades K-8 who would like to improve their skills. These hour-long sessions will be held one evening per week over a five-week period in July and August. Each session will be taught by current St. Hilary coaches using a rotating “skill station” format which will allow the players to learn and practice a variety of skills each session. This will be a great opportunity for St. Hilary soccer players to learn new skills and to sharpen existing skills during the summer months.
